

DHI Student Assistant, Strategy

Water – Innovation – Strategy... Sounds like a great combination? Then come join our team!

We are a leading digital advisory company addressing the world's most pressing water-related challenges. Our deep knowledge of science and advanced digital technologies set us apart. We excel in engineering and science and are on an exciting journey to drastically increase our positive impact on the blue planet. Your role is to help ensure that we continue to deliver sustainable, innovative, and viable solutions that align with the evolving marketplace.

As a Student Assistant at DHI

You will become part of our Strategy team and play a critical role in supporting our strategic initiatives and goals. By collaborating with cross-functional teams, you'll gain hands-on experience in strategy development, data analysis, and market research, making an impactful contribution to the future direction of DHI.

Key Responsibilities:

Market Insights: Conduct in-depth industry analysis and competitive benchmarking to identify emerging trends in water and digital innovation. Provide strategic recommendations to support business growth and innovation initiatives.

Decision Support: Perform financial modeling and market forecasting to assess new business opportunities. Develop data-driven insights using visualization tools to support leadership in decision-making. Prepare executive-level presentations to communicate key findings and strategic recommendations.

Project Management: Take ownership of key workstreams in strategic projects, ensuring timely execution and alignment with business objectives. Collaborate with cross-functional teams to drive progress and deliver measurable impact.

Qualifications:

If you're a driven student, eager to apply academic knowledge in a real-world setting and passionate about shaping the future of our blue planet, then DHI is the place for you. In addition, we expect:

- Enrollment in a Bachelor's or Master's program, preferably in Business, Economics, Engineering or a related discipline.
- Robust analytical capabilities, complemented by a flair for translating data into actionable insights.
- Stellar communication abilities, allowing you to convey complex data in a clear and concise manner – both written and verbally.
- A dynamic approach to tasks, thriving in high-paced environments and juggling multiple responsibilities with ease.

What We Offer:

- An opportunity to be part of a global and innovative company, making tangible contributions to our strategic direction.
- A vibrant and inclusive work culture that values collaboration and continuous learning.
- Clear avenues for professional growth and development.

How to apply:

- Please send your resume, a compelling cover letter, and any relevant work samples by using the "Apply" button at <http://www.dhigroup.com/careers>.
- If you have any questions regarding the position please contact: Rikke Helvind, Strategy & Executive Assistant, RIHE@DHIGroup.com.
- Expected Start date: January 2026

Interviews will be conducted on a running basis.
